

# Your learning challenges

## Bradda class

Hello Bradda Class,  
It is a shame we cannot all be at school together at the moment. Luckily this is only temporary and we will be back together very soon!  
Until then, here are some activities that will hopefully keep you inspired and motivated to learn. See you very soon!  
-Miss Johnstone

### Numeracy: OAK National Academy

For your mathematical learning for the next three weeks use [this link](#) that will take you to the OAK National Academy.

Click 'Year 2' then the day of the week to get your maths lesson for that day. You'll see a video to follow along with instructions and questions to attempt.

# Your learning challenges

## Bradda Class Year 2

### Literacy learning

#### Day 1

Today's literacy challenge will be on the Literacy Shed website. Watch the video 'The Lighthouse' [here](#). Complete the 'seaside sentences' activity on page 5 of this document. Challenge yourself to come up with different, powerful adjectives for each object.

#### Day 2

Watch the BBC Bitesize video on silent letters [here](#). Once you have watched the video and are feeling confident, try the activities underneath the video.

#### Day 3

For today's lesson look at the picture on Pobble365 [here](#). Choose from the activities underneath the picture. You may find it helpful to talk through the 'question time' section with someone in your house. This might inspire you when you are completing one of the other challenges on the page. If you choose to write a story about the picture, remember to use a story mountain to help you plan before you begin writing. Try to use powerful adjectives and time words.

#### Day 4

Watch the BBC Bitesize video on exclamation marks [here](#). Once you have watched the video and are feeling confident, try the activities underneath the video.

#### Day 5

Today your challenge is to complete a creative writing piece. You can use the Scholastic Story starter [here](#) (choose the 1st grade option) or you might want to choose a picture from the 'Once upon a picture' website as your inspiration. If you have siblings you might want to work on the same story idea! Always make sure you plan your story before you start writing. Challenge yourself to use powerful adjectives to describe your characters and the story setting. If your character speaks, remember to put speech marks around the words they say and always check you have used capital letters and finger spaces.

## Bradda class

### Literacy learning

#### Day 6

Today's literacy challenge will be on the Literacy Shed website. Watch the video 'The Little shoemaker' [here](#). Challenge yourself to describe the shoemaker and his shop. Try to use powerful adjectives.

#### Day 7

Watch the BBC Bitesize video on writing command sentences [here](#). Once you have watched the video and are feeling confident, try the activities underneath the video.

#### Day 8

For today's lesson look at the picture on Pobble365 [here](#). Choose from the activities underneath the pictures. If you have a brother or sister at school you could look at the question time section together.

#### Day 9

Watch the BBC Bitesize video on how to write long letters [here](#). Once you have watched the video and are feeling confident, try to write the letters on paper using pencils or paint.

#### Day 10

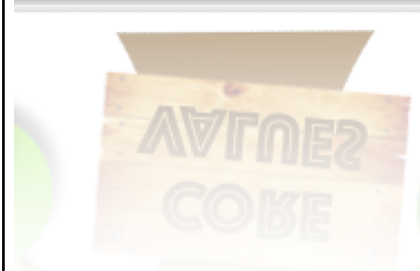

Today your challenge is to complete a creative writing piece. You can use the Scholastic Story starter [here](#) (choose the 1st grade option) or you might want to choose a picture from the 'Once upon a picture' website as your inspiration. If you have siblings you might want to work on the same story idea! Always make sure you plan your story before you start writing. Challenge yourself to use adjectives to describe your characters and the setting. If your character speaks, remember to put speech marks around the words they say.

#### Day 11

Today's literacy challenge will be on the Literacy Shed website. Watch the video 'Caterpillar shoes' [here](#). Imagine you are the beetle and answer the questions on page 6 of this document.

#### Day 12

Watch the BBC Bitesize video on compound words [here](#). Once you have watched the video and are feeling confident, try the activities underneath the video.

## Literacy learning

### Day 13

For today's lesson look at the picture on Pobble365 [here](#). Choose from the activities underneath the pictures. If you have a brother or sister at school you could look at the question time section together.

### Day 14

Watch the BBC Bitesize video on how to write one armed robot letters [here](#). Once you have watched the video and are feeling confident, try to write the letters on paper using pencils or paint.

### Day 15

Today your challenge is to complete a creative writing piece. You can use the Scholastic Story starter [here](#) (choose the 1st grade option) or you might want to choose a picture from the '[Once upon a picture](#)' website as your inspiration. If you have siblings you might want to work on the same story idea! Always make sure you plan your story before you start writing. Challenge yourself to use adjectives to describe your characters and the setting. If your character speaks, remember to put speech marks around the words they say.

# Seaside Sentences

Have a look at the pictures below. Pick 6 and write a sentence about each. Can you put an adjective (describing word) in each?

E.g. The **enormous** whale swam through the **deep, blue** ocean.

# Caterpillar Shoes

## Point of view.

Imagine that you are the shiny beetle. Answer the questions below using full sentences:

How did you feel when the caterpillar gave you your shoes?

Why?

What have you been doing with your new shoes?

What do you do with your new shoes when you go to bed?

Now imagine that you are the flea. Answer the questions below using full sentences:

How did you feel when the caterpillar gave you (and your family) the shoe? Why?

Describe what it is to like to live in your new shoe.

## Topic work OAK National Academy

For your topic work for the next three weeks use [this link](#) that will take you to the OAK National Academy. This is an additional resource for you to use if you wish to do some more learning after completing your literacy and maths for the day. You do not have to complete these tasks, they are optional!

Click 'Year 2' then the day of the week to get your learning challenge for that day. Choose the video that isn't an english or maths lesson. This might be a history, art, science, geography, music, religion or a PSHE lesson. You'll see a video to follow along with instructions and questions to attempt.
