

Your learning challenges

Bradda class

Hello Bradda Class,
First of all I would like to thank you for all your amazing learning you have been doing while at home. It has been fantastic to see many of you complete the extra tasks on Teams too! I have loved our weekly chats and have been so pleased to see so many smiley faces. I miss you all very much and can't wait to see you all in person.

-Miss Johnstone

Numeracy: OAK National Academy

For your mathematical learning for the next two days use [this link](#) that will take you to the OAK National Academy.

Click 'Year 2' then the day of the week to get your maths lesson for that day. You'll see a video to follow along with instructions and questions to attempt.

Your learning challenges

Bradda Class Year 2

Literacy learning

Day 16

Today's literacy challenge will be on the Literacy Shed website. Watch the video 'Partly Cloudy' [here](#). Once you have watched the video, think about what this story teaches you about friendship. Write your ideas in sentences and use the word 'because' to explain your ideas. You might also want to extend your work and write a conversation between Peck and Gus talking about their friendship.

Day 17

Watch the BBC Bitesize video on the 'ear' sound [here](#). Once you have watched the video and are feeling confident, try the activities underneath the video by clicking on the arrow.

Topic work OAK National Academy

For your topic work for the next two days use [this link](#) that will take you to the OAK National Academy. This is an additional resource for you to use if you wish to do some more learning after completing your literacy and maths for the day. You do not have to complete these tasks, they are optional!

Click 'Year 2' then the day of the week to get your learning challenge for that day. Choose the video that isn't an english or maths lesson. This might be a history, art, science, geography, music, religion or a PSHE lesson. You'll see a video to follow along with instructions and questions to attempt.
