DEAR PARENTS, CARERS AND FRIENDS

Welcome back! We have a busy half term ahead of us with our production, sporting events, move up days and the mini-parish walk, to name a few events. The school is also being externally validated as part of our ongoing monitoring and evaluation by the Department of Education, Sport and Culture. This is taking place on Tuesday 18th June.

It's that time of year when thoughts turn to our Mini Parish Walk. This year it will take place on the afternoon of Wednesday 10th July. Our Mini Parish Walk involves the children walking a circuit around the school grounds, completing laps. We are hoping that pupils will be able to get sponsorship for this event, with the money raised going towards enhancing the Forest School area of our school and supporting the charity 'Isle of Play' who work with us at Forest School. Attached to this newsletter is a sponsorship form and the children can either be sponsored per lap or a total for their target.

Refreshments will be available in the school grounds and there will also be snacks available for all pupils courtesy of the PTFA.

On the day the children will need comfortable shoes, a water bottle and their PE kit. They will also, hopefully, need suncream and a hat to cope with sunny weather.

This has become a very popular and challenging annual event and we are sure that the children will enjoy their afternoon.

Thank you for your support

Head Lice

We are receiving a few reports of headlice amongst our children. This is very often affecting our younger pupils. I would urge you to please be vigilant and check your child's hair regularly, treating any evidence of headlice quickly and effectively. If we all work together we can ensure that this problem is kept to a minimum. Thank you for your cooperation.

Reminder

Most of our children bring a water bottle to school and as part of our drive to reduce amounts of single use plastic, this is a significant contribution. Thank you. Can I please remind you that the bottles should contain water and not juice. Water consumption is an excellent way to stay hydrated and if spilt is easily and quickly cleaned up. There is no need for children to be drinking juice during lesson time. Thank you for your cooperation.

Crucial Crew	Year 6	Monday 17th June
Football and Netball Tournament	KWC	Wednesday 19th June - 10am to 1pm
Year 6 Transition Lesson	English at CRHS	Tuesday 25th June - afternoon
