

## DEAR PARENTS, CARERS AND FRIENDS

A warm welcome back to school life! It feels like a long time since we saw many of you. Much has happened during the last few weeks and we are all bringing different experiences with us as we come together again. We are a strong and supportive school community and our children benefit from us working together for them. We have only a few weeks before the summer break and so we want to pack as much in as possible and enjoy this time together.

# HOME LEARNING

Thank you to all our families who engaged with the home learning opportunities we posted on the website. Due to almost all our pupils returning to school there will be no further posts for learning at home. Home learning will continue to be provided on an individual basis for any children not returning to school. Thank you to those parents who have contacted us to clarify any personal situations.

**The weather is changeable at the minute  
- typical IoM summer!**

Please ensure that your children are adequately prepared for each day in school.

We always spend a lot of time outdoors, whatever the weather! Hats and sun cream for hot days, please. Coats and suitable footwear for wet days, please. Suitable provision for the days in between, please.

Water bottles every day, please!

### Year 6 Leavers

We are delighted that our Year 6 pupils have made it back to school in time to enjoy their last few weeks at SPLM. Our thoughts have turned towards celebrating their many years with us and looking forward to new adventures. Our Leavers' Celebration will be on the last day of term and this year the event will be exclusively centred on our leavers. There will be no other prize giving on this occasion. The whole school will be a part of the celebration with Year 6 families also invited to take part. More information soon.

# big day out

We will be heading to Port Erin beach on Friday 17th July for our big day out! You are all very welcome to join us for lunch or to spend some time with us while we are there. We are unable to get the train back to Port St Mary, as there are no trains running at this time, so we are asking that you collect your children from Port Erin beach at the end of the school day. More information will follow closer to the time.

We hope you will all be able to join us in our annual Mini Parish Walk on 8th July. This is always a fun event, enjoyed enormously by all the children.
