

DEAR PARENTS, CARERS AND FRIENDS

Welcome to 2021! We have started the new year with a lockdown that has seen the Isle of Man pull together to fight against a virus that threatens our lives, our liberty and our ability to be with loved ones. Thank you to everyone for staying positive and behaving in such a way that has allowed us our freedom again on our small island. It is wonderful to have the children back at school again and to see them so happy and settled. Thank you for all your support over the lockdown, you have done them proud!

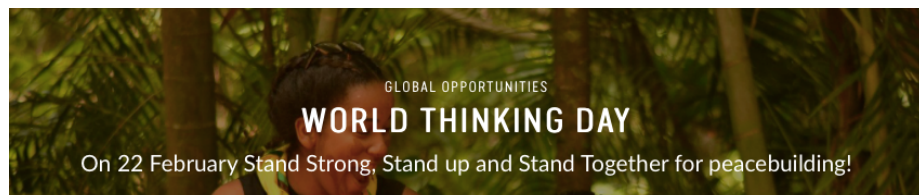

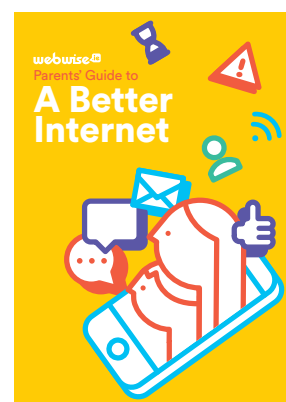

Together for a better internet

This Parents' Guide has been downloaded and can be found on the Blog on our website splm.sch.im

Safer Internet Day is an international annual event that is aimed at helping everyone, but especially young people, to become safer and more informed about staying safe online. We will be engaging in activities at school to widen awareness, tomorrow in particular. For more information to help you become involved at home please use this link <https://www.saferinternetday.org/home>.

World Thinking Day 2021

Celebrated since 1926, World Thinking Day is a day of international friendship. It is an opportunity to speak out on issues that affect young women.

On 22nd February our Girl Guiders are invited to wear their guiding uniform to school to raise awareness and show support for the day.

And Finally

You may possibly have been aware of staff changes over the last term. Mrs Cottier and Mrs Beaumont left us in October and Mrs Lewis retired from full time employment in December. We miss them all and wish them all the best as they pursue new avenues, interests and adventures. Mrs Beaumont and Mrs Lewis are still popping in every now and then to help us out and we are very glad to welcome them back to school.
