

DEAR PARENTS, CARERS AND FRIENDS

It is very hard to believe that we are almost at the end of another school year. It has been wonderful to enjoy a full year in school and to move back into the places and spaces that we enjoy as learners. Our school continues to grow and we will start the new school year with more than 165 pupils. It is a credit to you, our lovely families and the dedicated, hard working and supportive staff that means we continue to be a kind and caring school community. Our children are amazing, in so many ways and we are all incredibly proud of them!

SPLM Mini

PARISH WALK SPONSORSHIP

has raised over £900! Thank you for your amazing contributions and support for the IOM Foodbank and Outdoor Provision at SPLM. The Foodbank will be delighted by your generosity and our outside provision will be even better than before. We have taken over the running of Forest School ourselves and have big plans for next year.

THANK YOU SO MUCH

If you have any further donations please send them into school as soon as possible.

We have been informed of lots of super summer activities for families over the 6 week break. Please have a look for a couple of them in this newsletter and on the final page.

If you know of something that should be shared this summer please let us know.

And Finally

One more week before we are saying goodbye to our fantastic Year 6 and seeing them on their way to high school. It is always very emotional at the end of a school year and we are sad to see them go. However, we know they are ready for the journey ahead, just as our new starters will be ready to join us at the beginning of September to start their own journeys at SPLM.
