NEWSLETTER

DEAR PARENTS, CARERS AND FRIENDS

We have done it! A whole year in school. Thank you to everyone for being sensible and considerate when members of your family have been ill. It has helped us to get through.

Over the course of the summer holidays I am hoping that the car park will undergo preliminary work to ensure that this area is a safe place for our children. Please see page 3 for plans, which will be in operation from the first day back at school. This includes a drop-off zone and no drive zones at the start and end of the school day. A zebra crossing will also be added. More details on page 3.

I hope you enjoy a fabulous summer doing whatever you have planned for yourselves and your loved ones.

We will see you back here in September!

So long and farewell to our Year 6 as they leave Scoil Phurt le Moirrey

Our lovely Year 6 pupils posed for a photo as they left the Beach Day today.

Will they miss us? No, they will be too busy enjoying life at their new school in September!

GAMES DAY - Friday 22nd July

The last day of the school year sees us offering a games day for all pupils. Any game, except digital or electronic versions, can be brought into school to be enjoyed with friends. As usual, anything that can be shared and played with by other children and the consequences of that should be considered. Thank you.

SPLM Car Park changes Summer 2022

Drop-off zones will be in operation at the start and end of the school day. These areas are for quick drop-off and collection and should not be used as parking areas.

We expect the zebra crossing to be used in accordance with the Highway Code.

The 'yellow box' zones are NO DRIVE zones between 8:30am and 9:15am and 3pm to 4pm.

Thank you for your support and co-operation.
