SPLM

NEWSLETTER

DEAR PARENTS, CARERS AND FRIENDS

I would like to say an enormous thank you for your support in making the car park a much better space for our children at the start and end of every school day. I hope you agree that the changes have brought a much higher degree of safety for all our families. We all appreciate the change in habits and your safe use of the school car park.

Thank you.

We continue to be busy in school and are working hard to be the best we can possibly be - thank you for your continued support for our school.

Our children love the bike and scooter racks we installed this summer. It is wonderful to see how active we are as we arrive and leave school. What a healthy bunch we are!

We have arranged 3 dress down days to ask for donations to the Christmas Fair and Raffle Hampers. These are on:

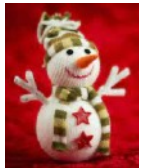

25th November - chocolate

2nd December - bottles

9th December - raffle prizes

The PTFA will have raffle tickets on sale soon and the draw will be at the Carols with Rushen Silver Band on the evening of Wednesday 14th December.

Thank you

Please remember to check out our website splm.sch.im for photos - including speed awareness duty, harvest celebrations, Rock Kids and StemFest 2022, as well as information about our school.

Our new School Council have been extremely busy already, organising many things and chatting with our pupils to give them a voice in what is going on in school. However, they did venture outside the school gates on 4th November to team up with the local police. They found out what speeds drivers were doing outside our school. There were a few people stopped, who took notice of what we had to say and took away a special SPLM leaflet to remind them to stay within the speed limits!
