SPLM

NEWSLETTER

DEAR PARENTS, CARERS AND FRIENDS

It's going to be a busy summer term! I know the children are excited about the production we will all be working towards, along with all the other exciting opportunities and activities that are planned. As the weather turns to something more amenable we will be turning our attention back to more outdoor activities and learning. If you have anything that we could use in our Play Bin (see below) please do send it in to school - we would love to replenish our resources. Thank you for your continued support from home, in all our endeavours - we appreciate everything you do.

I would also like to thank our PTEA who continue to support our school with funds and activities for all our families. The Easter eggs were a hit as we broke up and watch this space for a new Forest School shed arriving soon. Thank you!

SCHOOL UNIFORM

At SPLM

Please remember our 'PRE-LOVED' uniform is available for anyone to choose from. It is located in a wardrobe just outside the gym.

All un-named and un-claimed items left in lost property at the end of each school term are washed and added to the stock.

Please come and help yourselves. We really would like the items to be put to good use.

PLAY BIN - Items required

Imagine being able to play outside with all kinds of exciting things that come from every day life. This is what our play bin has inside and we are looking for new items. So, if you have anything old or not needed anymore like rope, tarpaulins, ladders, wheelbarrows, prams/pushchairs, etc, please send it our way. Any items must be

safe to use by children of all ages and not be broken or have sharp edges, etc.

Thank you for your help.

Thank you to everyone who has joined our Facebook page.

Please remember this is a private group and cannot be 'discovered' through any searches. Any potential member will need to be invited to this group and will be checked to ensure that there is a connection to school before being accepted. Please contact Mrs Seal, in the office, if you would like to receive an invitation to join.

It has been wonderful to see so many family members join and enjoy the content that is there to celebrate and inform. It is so easy for us to get photos and information available to you quickly, without the need to wait for newsletters. We have tried (where possible) to email in addition to FB posts, to enable those not on Facebook to be informed in the same way, but this is not sustainable. Please be assured that all vital information will always be sent by email to families who need it.
